## SHAKING THE NATIONS

"I will shake all nations," says God, "and the desire of all nations shall come and I will fill this house with glory." (Haggai 2:7). According to the Word of God it is His intention to shake every nation in the last days to remove those things that can be shaken, so the things that cannot be shaken will remain. Such a shaking is occurring today. Nation after nation is experiencing upheavals of various kinds - some are even being convulsed. The old Soviet Union has been shattered into many pieces and the Iron Curtain over Eastern Europe rent asunder. Russia itself is now emerging as a world power with all the ominous undertones that implies self-destruction. Yugoslavia disintegrated into its ethnic parts and continues to further fragment as each country in the Balkans becomes embroiled in conflict with its neighbours. The whole of Africa is in a perpetual state of unrest and even turmoil. The killer disease AIDS is shaking the very fabric of countries south of the Sahara as well as in Asia. Indonesia, Liberia, Sudan, the Congo, Burundi, Rwanda, Zimbabwe, Northern Ireland, the Philippines, Chechnya, Fiji, PNG and the Holy Land have recently (and some still are) rent with internal strife. In the US the racial time bomb of black unrest was detonated in Los Angeles a few years ago, a forewarning of troubles in the future. Even the British Establishment is crumbling as the leaven of humanism corrupts the nation's belief system. And of course there is the blight of foot-and-mouth disease, which is shaking Britain to its very core. Not only Britain! In a little over a year the dreaded disease has hit 14 countries. In fact, of the world's seven continents only North America, Australia and Antarctic are currently free of the virus. Then there are earthquakes. Over the last 20 years devastating quakes have struck Italy, North Africa, Yemen, Turkey, Mexico, Armenia, San Francisco, Japan, China, the Philippines, Australia (Newcastle NSW) and early this year India and El Salvador suffered a tremendous quake killing thousands. Storms and floods have caused much havoc in Great Britain, Guatemala, North America, Western Europe, Bangladesh, China, Australia (NSW & VIC) and Mozambique (twice). In fact the world has lately experienced greater extremes of weather than it has seen for centuries. And of course there is the coming financial crash, which will hit the nations of the world and bring economic and social woes to countless millions caught in the grip of unpayable debt!

Without doubt the winds of change are blowing across a world in a state of flux. Furthermore, no nation will escape as God shakes every country on earth especially those of the West, which has become the degenerate, decadent empire of the god Mammon (money). The rock/pop sub-culture of America is spreading across the globe like a cancer, violent and vicious, a culture of black-attired gangs, of deafening cacophonous sound and fury, of drug-besotted musicians, of flagrant permissive sex, of scantily clad gyrating cheer squads and screeching fans. All are screaming of decadence, degradation and decline, a final wild fling before the inevitable judgment falls upon a lost sinful world. But there is good news. The shaking of the nations will sift the grain from the chaff, exposing what is evil and separating it from what is good. Then God will reap a great harvest of good grain and fill His house with glory. "Therefore, since we are receiving a kingdom which cannot be shaken let us be thankful and worship God with reverence and awe; for our God is a consuming fire" (Hebrews 12:28). God is either sending or allowing great calamities to wake us up. Yet even more is to come for His time is at hand.

The sombre prophecies of the Reverend Samuel Doctorian, which he was given while meditating on the island of Patmos three years ago, are drawing close to fulfillment. At 3.50am on 20 June 1998 the room of this 68 year-old anointed servant of the Lord from Armenia was suddenly flooded with light when he received a heavenly visitation from five angles who announced separate but similar messages for the five main Zones of the world. Each region is to suffer various kinds of calamity - including thirst, starvation, nuclear war, drought, financial chaos, earthquakes and floods - for their ungodliness, idolatry, false religion, injustice, drunkenness,

abortions, materialism and all kinds of immoralities. There is also to be a great spiritual awakening with vast numbers turning to Christ Who will show His power by performing many mighty miracles. The angelic message concludes on a triumphant note: "All glory to the Lord of heaven and earth. Now the time has come to glorify His Son. The earth shall be destroyed; God will destroy the works of the devil forever. Now the new heaven and earth shall come. Be ready - for the day of the Lord has come." This message is merely a confirmation of the biblical prophecy that the heavens and the earth are "reserved for fire until the day of judgment and destruction of ungodly men"; and that "the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat... Nevertheless we, according to His promise, look for new heavens and a new earth in which righteousness dwells." (2 Peter 3:7, 10, 13).

**This is our message to the nations. As a voice crying in the wilderness, we earnestly entreat, "Repent, for the kingdom of heaven is at hand! Prepare the way of the Lord, make straight His paths."**

#### **OUR PRAYER:**

Merciful Father, we cry Holy, Holy, Holy Lord God Almighty; Ruler of all Creation; Light of the world; God of Abraham, Isaac and Jacob; Father of our Lord Jesus Christ and the Person of the Holy Spirit of life, love, joy, peace and harmony. Abba Father, we come united in faith, rejoicing in the values You inscribed in our hearts through JESUS CHRIST to gratefully thank You for giving us the ability to host the Holy Spirit. We join the hosts of heaven to enthrone our LORD JESUS CHRIST as coming King of Glory and Judge. Blessed Holy Spirit, strengthen us to stand in the gap for our nation's disobedience, unbelief, pride, idolatry and spiritual ignorance. Lord, let Your mercy flow through this 'Great Southland of the Holy Spirit' to manifest the glory of God as we lift high the name of JESUS CHRIST.

Everlasting Father God, You revealed to us in John's Gospel that JESUS CHRIST is the very Word incarnate, the manifestation of the Father to all mankind. We acknowledge that His life has helped reshape the world for good, embracing the entire spectrum of human existence including civil liberties, medicine, the arts, economics, sexuality, education, technology and morality. Omniscient Father, what You have willed, we call forth on earth. We fervently pray that our country's leaders and citizens will deeply REPENT before the terrible shaking of the nations and renew their minds by Your Living Word to experience the saving grace of Christ. We know, O Lord, that the nations of this world come and go and that You control their rise and fall as Your Word declares, "Behold the nations are as a drop in a bucket and are regarded as dust on the scales." We pray that our leaders and citizens will open their hearts to the Holy Spirit and be rooted in God's amazing grace to grasp how wide and long, high and deep is the love of CHRIST and to know this love that surpasses knowledge. We pray that they will look to Him and yield to His omnipotent Spirit. Help us all to fulfill Your divine plan to enrol all lost souls in His Kingdom. Hallelujah! Glory be to God.

Omniscient Father, we thank You that those who are born again in Christ are a new creation, a royal priesthood and a holy nation. This is our God-given inheritance promised even before the foundation of the world and we claim every spiritual blessing. CHRIST our *Saviour* has won us from the kingdom of satan to the Kingdom and family of God. CHRIST our *Head* has given us His divine nature. CHRIST our *Lord* has dethroned our self and ego and has assumed the undivided control of our life. CHRIST our *Life* has shared with us His risen glorified supernatural life in all its fullness. CHRIST our *Sanctification* has put His blood, His Cross and His throne between us and the world, the flesh and the devil. CHRIST our *Conqueror* gives Himself in His high-priestly and intercessory ministry for our continuous and complete victory, which He gained over satan at the cross. Blessed Holy Spirit, help us to enter into real oneness with our Captain JESUS CHRIST and in His name to demolish all strongholds of deception, the powers of darkness which are destroying governments through anarchy, society through debauchery and religion through apostasy. In the authority, name and blood of JESUS CHRIST, we set the captives free - leaders, families, youth, children, migrants and refugees to receive JESUS CHRIST as LORD before the coming storms. Sovereign Lord, we earnestly pray that Your sovereign Will be done in this 'Great Southland of the Holy Spirit'. We ask all this in the majestic and glorious name of JESUS CHRIST. Amen and Glory to God.

C O P I I Led by our Lord Jesus Christ by the power of the Holy Spirit to glorify the Fatherhood of God with the Brotherhood of Man, in love and faithfulness to bring glory to our Eternal Father in Jesus' Name. Amen and Glory
