"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." 2 CHRONICLES 7:14

VOLUME: 6 NO. 10 HEART TO HEART OCTOBER 2001

SAVE OUR SPIRITUAL SOVEREIGNTY

The heated debate generated by the arrival of hundreds of "boat people" claiming to be refugees on the Norwegian container ship Tampa last month provoked strong feelings from the vast majority of Australians. We were suddenly awakened to the desperate need to save the Australian way of life, realising that it was high time to close the floodgates before it became too late. Not that we are not compassionate toward those in real need but the overwhelming support for the prime minister's stance and tough action in the face of much criticism both at home and abroad reflected our concern. The steadily increasing stream of "refugees" from such Islamic nations as Afghanistan, Iraq and Iran has suddenly rung the alarm bells as we see our Australian culture threatened. Though most Australians welcome limited numbers of migrants from various parts of the globe they do not want us to become a polyglot society that destroys our unique Australian character. In fact, not a few are now questioning the policy of government-funded enforced multiculturalism. If the Australian way of freedom, democracy etc is the best way and people want to come and live here, surely it cannot be wrong to ask these people to assimilate and adjust. Yet over the past 15 years or so migrants have been given clear hints that there was no need for them to adapt. All the outdated Anglo-Christian stuff was finished. The new Australia was a rainbow coalition in which all cultures were equal. However, as many of these "migrants" have vastly different religious backgrounds to us many are just not changing their old ways. The point is that the majority of Australians are right to be alarmed and their alarm has nothing to do with racism, colour or class, but has everything to do with creed or belief. One of our real problems today is political correctness, the stifling of debate and the unfair privilege of the liberal left with its access to government bureaucracies, education systems and the media. Multiculturalism has degenerated to the point where it signals to immigrants that they can do whatever they like here without regard to the common good.

As plans for an anti-Christian one-world system unfold it is apparent that western Christian nations such as Australia, Britain, Canada, USA and New Zealand have become prime targets. Through a process of cunning and deception we are being taken over because we do not realise why we have been blessed. Many give credit to our own cleverness or to the god of luck but not to the God of the Bible whose laws we have inherited through our British heritage and the English Common Law. In fact therein lies the key to our downfall, not understanding the spiritual battle that is being waged in our midst. How is this warfare being waged? Firstly by promoting the equality of all nations. Opposition is silenced with the label RACISM, a slur created by Marxist theology designed to undermine the culture of Christian nations. Secondly, by promoting the essential goodness of all religions as valid ways to God. Opposition is silenced with the tag RELIGIOUS BIGOT. Thirdly, by nullifying all cultural links with Britain. Fourthly, by opening our doors to all nations, especially non-Christian ones. Fifthly, by establishing socialist teachers throughout the education system to sap any opposition to racial change, and humanists in the judiciary to adjudicate against Christian morals and faith. Lastly, by using churches to condition people to the idea it is unchristian to keep out people of other religions. At present we are well down this road to a new Tower of Babel planned by the one-worlders. As the nation's Anglo-Saxon character is being assassinated and our Christian culture undermined we see mosques and temples to foreign deities that have brought poverty, sickness and death all over the world springing up all over the place. We are facing an invasion! Yet even now it is not too late. Forty years ago the British MP Enoch Powell warned that unrestricted immigration could produce "rivers of blood".

England now, with its no-go areas of racial hatred, is grim testament to the wisdom of his words. Indeed once the Muslims are here in significant numbers the holy war could begin and blood may well flow in Australian streets as it has flowed so horrendously in New York and Washington. How ironic that most Islamic nations have closed their doors to Christian missionaries to protect *their* culture and religion yet they come here wanting our blessings (money) but not our God. At least it may be said, if we cannot go to the mission field then the mission field can come to us and we might see some of them converted. The remainder, however, create a massive incompatibility problem. Yet we would never have this problem had our leaders acknowledged that we do have a coherent and confident national culture to which all migrants are expected to assimilate without altogether abandoning their own cultural traditions. However, the fashionable doctrine has decreed that the melting pot itself should melt. But Christianity has been our culture, our lifeblood, producing freedom, stability, prosperity and the very essence of the Australian character – mateship, a fair go and a willingness to sacrifice. It is high time we recognised this vital truth and returned to the God of our fathers by placing our faith in His Son who will not only break down the walls that divide us, but lead us to His own eternal home where we shall live in harmony together with Him forever. **We must make JESUS CHRIST LORD of AUSTRALIA if we are to save our spiritual sovereignty!**

OUR PRAYER

Forgive us, Sovereign Lord, God of infinite grace, mercy and justice; Creator of the universe; our Redeemer, Sanctifier and Provider; our Good Shepherd and Source of all blessings – spiritually, economically, physically and materially; Divine Source of Truth, Love, Light, Peace, Hope, Joy and Freedom. Abba Father, how majestic is Your name in all the earth! We are privileged to have fellowship with You, clothed in the blood of Jesus and yielded to the Holy Spirit to thank You for revealing to us the **LORD JESUS CHRIST** who is now seated at Your right as our Great High Priest interceding for us. May we humbly yield to the Holy Spirit in the administration of Your Kingdom's constitution – **The Living Word of God** – to be preached to a dying world without hope! **JESUS CHRIST**, You who are the Alpha and the Omega, the Author and Finisher of our faith and Prince of Peace, establish righteousness and justice in our land. Forgive us, O Lord as leaders and citizens, for allowing false gods, idols, cults, witches, unbelief and rebellion against Your Word. As Your people we are the temple of God, and the Spirit of God dwells in us. Furthermore, O God, Your Word says what agreement has the temple of God with false gods and idols in this land? For You dwell with us; You are our God and we are Your people built upon the foundation of the apostles and prophets, **JESUS CHRIST** Himself being the Chief cornerstone. Thank You, Father, that we are built together for a habitation of God through the Spirit to enthrone **JESUS CHRIST, LORD of AUSTRALIA.**

Have mercy on us, Almighty God, and through Your unflinching love and great compassion, blot out our transgressions, wash away our iniquity and cleanse our sin with the fountain of JESUS' blood. Omniscient Father, Your Word says that where the Spirit of the Lord is there is liberty and peace. Lord God of all Excellence, we thank You for blessing us with this 'Great Southland of the Holy Spirit'. Father, we earnestly ask You to forgive our nation's leaders and citizens for their spiritual ignorance and disobedience to Your Word by compromising with Your enemies. We pray for deep repentance for this nation's folly in importing multiculturalism and its pagan gods into Your Holy Spirit's land. In Jesus' name, we take dominion authority to pull down all unbelief, disobedience, pride, legalism, paganism and all the enemy's strongholds through Your omnipotent Holy Spirit, the Administrator of Your coming Kingdom of Glory. Lord, purge this nation with the fire of Your Spirit and bring every demonic spirit to the obedience of JESUS CHRIST. **LORD JESUS**, all wealth and honour come from You. Without You, O Lord, the Giver of all life, we can do nothing. **LORD JESUS**, we are ready to manifest the reality of Your Kingdom and Will because we have a blood covenant relationship with You. The kingdoms of this world will become the Kingdom of our **LORD JESUS CHRIST** who reigns in glory forever. Lord, in Your mercy, save all our leaders, citizens, migrants and refugees who need **life**, because they are spiritually dead! **LORD JESUS** reign in us to accomplish Your sovereign Will to preach the Gospel to the lost, to feed the hungry, to help the blind see, the deaf hear, the sick be healed and the wounded be comforted through the power of Your Word. Father, turn the hearts of the disobedient to the wisdom of the upright and the knowledge of the will of God in order to make ready a Kingdom people perfectly prepared to welcome our coming **King of Glory, JESUS CHRIST, LORD of AUSTRALIA.** We pray and ask all this in Jesus' glorious name Amen

C O P I E Led by our Lord Jesus Christ by the power of the Holy Spirit to glorify the Fatherhood of God with the Brotherhood of Man, in love and faithfulness to bring glory to our Eternal Father in Jesus' Name Amen and Glory
