

REPENT AUSTRALIA

"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

2 Chronicles 7:14

A VIPER IN THE NEST

We have a viper in the nest. It is a vicious power that lies behind much of the sexual immorality sweeping across Australia and the rest of the globe. It is sinister, seductive and soul-destroying. It is an enormous power structure that wars against our whole society. It affects the decision-makers of the nations. It infiltrates every law enforcement agency in every country in the world. It is one of the reasons for all the pornography in films, magazines, videos etc. Its name? **The spirit of homosexuality!** Though it is nothing new, having been around since early days in the history of man, in the last two decades homosexuals have made enormous political and social gains in Australia and everywhere else. With governmental media assistance the "gay" lobby has wormed its way into acceptance as a viable lifestyle despite general abhorrence of it not so very long ago. Homosexuals and lesbians have gained victory after victory in their concerted efforts to openly practise their perverted form of sexuality and to promote their way of life without restriction. The WA Parliament has recently amended 19 Acts of Parliament that lower the age of consent for homosexual acts to 16; make lawful the promotion of homosexual behaviour in both primary and secondary schools; prohibit discrimination on the grounds of sexual orientation – defined to include homosexuality, lesbianism and bisexuality – but not heterosexuality; and give male homosexuals and lesbians access to adoptions, and the latter IVF treatment.

It is argued that it is only just and fair that there should be no discrimination against anyone because of sexual preference, that all should be treated equally. The media, politicians, the gay lobby and even some churches are parroting the line that homosexuality is no different than the union between a man and a woman. Popular though this view may be it is a very superficial one. Yet no wonder it is widely held as the graphic details and consequences of homosexual practices have been suppressed in all discussion and debate; not to mention the many false myths perpetrated and the dangers ignored. The One in Ten myth has been laid to rest with numerous studies showing homosexuals comprise just over 1% of the population. Yet scientific studies indicate that they commit between 33% and 50% of all recorded instances of child molestation. AIDS first became pandemic through the sexual activity of gays and from them it spread to other sections of society. Following the passing of gay rights laws in San Francisco the rate of venereal disease exploded 22 times that of the US average. Moreover, the "born that way" myth has been proven false by the fact that over 15,000 gays have relinquished their perverted lifestyle in the last decade which they could never have done if it were genetic. Known also as sodomy from the ancient city of Sodom **the practice of homosexuality there stirred up the wrath of God. In His divine anger He destroyed both Sodom and Gomorrah as a warning to others.** Because they gave themselves over to sexual immorality and perversion these cities became an example of those who shall suffer the punishment of eternal fire (Jude 7). It is a detestable practice, which His Word calls an "abomination"; one that the New Testament warns will debar its adherents from inheriting the Kingdom of God. Furthermore the Scriptures state that because of the worship of the creation instead of **the Creator** (which is rampant today under the guise of environmentalism) "God gave them up to vile passions. For even their women exchanged natural relations for unnatural ones. In the same way the men also abandoned natural relations with women and burned with lust for one another; males committing indecent acts with other males and receiving in themselves the due penalty for their perversion." (Romans 1: 26,27). A travesty of the natural laws of reproduction homosexuality will undermine every society that embraces it as we are doing and eventually lead us down

the path to complete degradation. Indeed throughout history it has been found that when homosexuals come out of the closet to flaunt their aberrant lifestyle in the face of normal people that society is in rapid decline. For all civilizations are the creations of heterosexuals. But when they reach the point where males are no longer builders, warriors and fathers the cancer of homosexuality makes its appearance. Soft living such as we enjoy today encourages the onset of degeneracy. This is clearly seen in the collapse of both Greece and Rome, which fell in part due to effeminisation and homosexuality. Homosexuality was also prevalent in the top echelons of power in Nazi Germany when it was riding high in the 1930s.

For centuries, Christian pulpits thundered with sermons expounding the moral issues of the day. They were instrumental in the foundation of many of our countries, governments and legal systems. Sadly today throughout the long struggle for gay rights the Christian Church has bought the humanistic lie that it should not be involved in the public square and has sent out confused signals; some even condoning this perverted practice in the name of love and tolerance while at the same time **violating God's integrity by failing to uphold His holiness, which abhors SIN.** By taking such a stance it has condemned gays to eternal death by removing the **need for repentance.** Even so, **God cries out to homosexuals that He loves them.** In mercy He pleads with them to turn from their deviant ways and know the sense of sins forgiven. He does not want to punish them **but their lifestyle is a stench to His holy nostrils.** Unless they repent they, with all those who approve of what they do, will suffer the dire consequences, and no amount of talk about freedom, civil liberties or theirs being an acceptable, alternative lifestyle should allow them to impose their value system on our nation to its ultimate destruction. **We must stand against this network of spiritual evil in our midst.** And stand we shall! **With faith in the power of God, the precious blood of Jesus, which He shed at Calvary to defeat the works of the devil, and through His all-powerful Name, we can overcome this viper that is eroding the very soul of our nation. Let us yield to His omnipotent Spirit to fight His triumphant battle!**

OUR PRAYER

Hallowed be Your Name Almighty God of Abraham, Isaac and Jacob; Creator of the universe; Lord of all Life; Kinsman Redeemer and the Source of all blessings and provisions; Transmitter of Light; Lover and Shepherd of all souls. Blessed Holy Spirit, thank You for being the Truth, the Comforter and the Sealant – “the earnest of our inheritance” to born-again sons of God's new creation, blood-bought by Jesus' death, burial and resurrection on the cross of Calvary **LORD JESUS,** thank You for being **God's Symphony of GRACE - the TRUTH, the WAY and Eternal LIFE.**

Abba Father, we come in one faith with contrite hearts as living sacrifices abiding in Your omniscient Spirit, clothed as spiritual warriors in the righteousness and blood of Jesus to thank You for Your amazing **GRACE.** Precious Lord, help us not to quench or grieve Your Spirit so we may do Your Will on earth. Sovereign Lord, thank You for the divine operation of Your omnipotent Spirit crucifying our **selfish pride;** purging us of our self-centered ways; equipping us to be transformed into Christ's likeness; teaching and counselling us in the hidden treasures of wisdom and knowledge of the Truth in **HIM** to administer God's limitless grace and mercy to the lost, the wounded and the tormented. Blessed Holy Spirit, we depend on You to pull down the bastions of homosexuality in Jesus' victorious name. In the authority of **His Holy Name,** spirits of Jezebel and all Sodomite spirits, we release your captives and set free your slaves of homosexuality in individuals, families, schools, institutions, government departments and workplaces to **repent** as we cast down these strongholds and evil imaginations from their minds. Through the **Living Christ** we proclaim Holy War upon these Sodomite spirits of perversion, which have invaded Your inheritance. Spirit of the Living God, pour down Your mighty river of healing oil and cleansing wine to set free and make whole all people in bondage across this Great Southland of the Holy Spirit. We pray that a touch of Your gentle hand, **LORD JESUS,** dipped in the oil of the Holy Spirit will soothe and heal the deep wounds of tormented souls and wipe away their fears and their tears. Holy Father, we rejoice to join the celestial choir in heaven in singing ‘**How great Thou art**’ to put all enemies under Your feet. Thank You, blessed Spirit for filling us with Your immeasurable anointing to receive our coming **King of Glory, JESUS CHRIST.** We prayfully ask this in Jesus' triumphant and majestic Name. Amen.

R.A: Led by our Lord Jesus Christ by the power of the Holy Spirit to glorify the Fatherhood of God with the Brotherhood of Man, in love and faithfulness to bring glory to our Eternal Father in Jesus' Name. Amen.
