

REPENT AUSTRALIA

“If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.”

2 Chronicles 7:14

HOAX OF THE CENTURY

The Federal Education Minister recently gave the nod for a form of creationism to be taught in schools alongside the theory of evolution. This is in response to the support growing among educationists, churches, politicians and scientists for Intelligent Design (ID) to be taught in Australian schools. Though not going as far as admitting the truth of Genesis, which unequivocally declares that God made the heavens and the earth and everything in them, it is a move in the right direction. For far too long have students been brainwashed into blindly accepting the theory of evolution as the answer to life on earth.

Theory Gullibly Accepted

The people of the world have gullibly accepted a theory that life has no reason, that all that is alive today just evolved from nothing millions of years ago. Surely, it should be transparently clear that if ever a hoax were perpetrated on the human race it is the theory of evolution. Generation after generation of schoolchildren have been solemnly presented with the idea that they are the end product of a long, long line of mutations that stretches back through the apes, birds, reptiles, fish, insects and worms to a single-celled amoeba and ultimately to primeval slime. That is, from goo to you via the zoo. Furthermore, to cap it all, it just happened by chance! How any sane, rational being can look at the world with its unutterable complexity and majestic beauty, not to mention the amazing creation that is a human being and maintain it all happened by chance beggars belief. Yet millions, even billions, do!

A World Maker

No one is foolish enough to believe that an explosion in a junk yard would create a jumbo jet or a watch could be built by a series of random bits and pieces being thrown together. Moreover, as the plane demands an engineer and the watch a watchmaker so the world demands a world maker. However, the world maker (God) is denied. The evolutionist will not accept that He created the sun and moon and stars, the land, sea and all vegetation, the fish, birds and animals (*all according to their own kind*), and finally created man in His own image. The evolutionist clings to his absurd belief that a “life force” somehow operates a series of natural selections so that after an incredible number of mutations a new life form comes into existence. He overlooks the fact, however, that mutations are harmful and retrograde, that instead of an improved creature there would be a regression.

Vast Chasm

Evolutionary scientists also ignore their own second law of thermodynamics that all natural processes are running down and cannot sustain themselves from within. Moreover, they cannot explain the vast chasm that exists between man and animals. If man were just an improved ape how did he come to possess self-consciousness, imagination and memory? Why has man mental, emotional and spiritual qualities that no animals have? Why has he a conscience, a moral indicator of right and wrong? The truth is that humans are created in the image of God and He is the source of all morality. In fact, it is because His Spirit of Glory creates us in God’s likeness that we are capable of accumulating knowledge and building on it.

“Prehistoric Cavemen”

Evolutionists claim so-called “prehistoric men” were the links between apes and man. Drawings in evolutionary literature and plaster-cast figures in museums invariably depict a line of cave dwellers in various stages of development leading to modern man. Much of this is founded not on fact, however, but on imagination – on a small collection of bones and teeth from miscellaneous locations scattered around

the globe. According to evolutionists, life began in the pre-Cambrian era about 3.5 billion years ago, but there is no fossil record from this period. However, there is an abundance of fossilised animal life from the next era, the Cambrian, which bears testimony to the Genesis record that the creatures were made according to their own kinds. Moreover, where are the in-between stages – the links of the evolutionary chain? In fact, where are they today if evolution is ongoing?

Must Succumb to Hopelessness

To the evolutionist life ends in death. He has no hope of an eternal future. He denies both a heaven to gain and a hell to shun. He must eventually succumb to hopelessness and despair, that “life is full of sound and fury, signifying nothing”. Evolution is nothing more than an escape from reality. It eliminates God and the awesome concept of accountability to Him. Without God, man thinks he is free to do whatever he likes and face no judgment for his actions. That is why evolution is so popular. However, whether man believes in Him or not God is real. Jesus told a parable that should be a clear message to our hedonistic, godless generation. He told of a rich man who said to himself, “You have goods laid up for many years. Take life easy; eat, drink and be merry.” But God said to him “You fool! This very night your life will be demanded of you. Then who will get what you have prepared for yourself?”

Wrath of God

The Apostle Paul also has a special word for the evolutionist. He wrote to the church at Rome, “The wrath of God is being revealed from heaven against all the godlessness and wickedness of men who suppress the truth by their wickedness, since what may be made known about God is plain to them. For since the creation of the world God’s invisible qualities – His eternal power and divine nature – have been clearly seen in what has been made, so that men are without excuse.” (Romans 1:18-20) Modern man has made a god of creation, giving “Mother Nature” the credit for its incredible wonders and denying the One who “made him a little lower than the angels and crowned him with glory and honour”. (Psalm 8:5) Though many are ignorant of the fact, man is God’s most cherished creation. He loves him and cares about him. That is the reason He has revealed His ways to him through His Word. It is why He sent His son Jesus to die for him as atonement for his sins. And it is why He sent His Holy Spirit to live in his heart as a Comforter and Teacher and to give him the power to live a victorious Christian life.

Cruelly Deluded

The great debate between evolution and creation is not just an intellectual argument. It focuses on life’s most critical issues. Does God exist? Does life have an eternal purpose? Are we accountable for our lives? The answer to all these questions is a resounding YES. To have people believe otherwise is to delude them cruelly. And the theory of evolution seeks to do just that. It is the greatest, the most diabolical hoax of the century. It is time the powers-that-be in this land allowed students the opportunity to be able to consider the case for Intelligent Design (God) without being constantly fed an endless diet of the evolution theory. In fact, it is high time they were taught there is a God in heaven to whom they will all one day be held accountable.

PRAYER

Almighty God of all creation, the Great I AM; as stewards of Your creation, we humbly come before Your throne of grace and mercy to worship You in Spirit and in Truth. You are worthy to receive all glory, honour and power, for You created all things and by Your will they were created and have their being. The heavens declare Your glory, and the skies proclaim the works of Your hand. Gracious Father, we thank You that Your law is perfect, reviving the soul; Your statutes are trustworthy, making wise the simple; Your precepts are right giving joy to the heart; Your commands are radiant giving light to the eyes; Your ordinances are sure and altogether righteous. Blessed Father, thank You for Your Living Word which is a sword for our daily spiritual battles against sin, Satan and deception. Abba Father, we acknowledge that holiness is faith at work through Your love to help us pull down the strongholds of Satan as seen in the theory of evolution and place them under obedience to Your Holy Word. Loving Father, we release Your Spirit of Truth, Life and Light to set all Australians free from deception and confusion. Through Your omnipotent Spirit, may all be cleansed with the blood of Jesus to truly repent and believe in their hearts and confess with their mouths that Jesus Christ is Lord and Saviour and that You alone are the Designer of this universe. We pray for all schoolchildren to have their hearts and minds opened to the unfathomable depths of Your knowledge and wisdom. May they study Your Living Word and have a personal relationship with You their Creator, the divine Spirit of Truth and Love. Bless them, we pray, in character development and with a true understanding of life’s purpose. We ask all this in Jesus’ victorious name. Amen

R.A.: Led by our Lord Jesus Christ through the power of the Holy Spirit to glorify God with the Brotherhood of Man and in love and faithfulness to bring glory and honour to His Holy Name. Amen
