"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." 2 CHRONICLES 7:14

HEART TO HEART

A SPECIAL WORD FOR ALL LEADERS

The awesome message you are about to read is an abridged version of prophecy received by Rev. Samuel Doctorian while meditating on the island of Patmos. This 68-year-old Armenian who has been an anointed servant of the Lord for 53 years is based in Lebanon but ministers worldwide. God has delivered him from imminent death on numerous occasions. He has had nine angelic encounters. At 3:50am on 20 June 1998 his room was suddenly flooded with light and he saw five angels who announced, "We are here to give you five messages from the five continents of the world. Tell what you see and hear to the nations."

The first angel said, "I have a message for Asia." Immediately I could see the countries of Asia east of India, right down to Australia and New Zealand. In his hands he held a huge trumpet ready to blow; millions would hear the voice of the Lord. Then he said, "There shall be disasters, starvation, strong winds and earthquakes. The sea will cover the earth. A great part of Australia will be shaken, divided, destroyed and much of it will go under the ocean. A financial crisis will strike all Asia. Millions will die in China and India. Nation will fight against nation. Nuclear weapons will kill millions. It will be catastrophic!" Then he smiled and said, "There shall also be the greatest spiritual awakening. All over Asia many will turn to Christ. Australia shall have a tremendous revival. It is the final harvest." Then I heard him say as though it was the Lord speaking, "I shall prepare my church for the return of Christ."

Then the angel of the Middle East said, "Harvest time has come in Israel and the surrounding Arab nations where multitudes have refused my message of love. They shall hate and kill one another." The angel raised the sickle he held in his hand and I saw these countries covered with blood and fire from nuclear weapons. "Many will die from thirst as rivers run dry and the people there fight each other for water. Israel, O Israel, the great judgement has come but the chosen, the Church, the remnant shall be purified, protected and prepared for the final day." The angel then showed me that the United Nations would be destroyed by the Middle East crisis.

After that another angel showed me the entire continent of Europe and as he flew over the various countries he cried, "I am grieved, I am grieved. Unrighteousness, uncleanness, ungodliness all over Europe. Its sin has risen to heaven and the Holy Spirit is grieved." I saw rivers flooding, covering millions of houses. Suddenly I heard earthquakes everywhere and saw the Eiffel Tower tumble down. A great part of Germany was destroyed and in London much destruction. Spain and Portugal suffered great hunger and devastation. Then I asked the angel, "What about your children?" He replied, "I shall prepare them. Many will cry to me and I shall save them. I shall perform mighty miracles and show my power."

Then the fourth angel showed me all over Africa. "Innocent blood has been shed," he said. "They have slain thousands of people, one another. But I have also seen my faithful children in Africa whom I shall reward and bless abundantly. However, my sword shall judge the unrighteous and the bloodthirsty. The sun shall scorch with blazing heat, rivers shall run dry but elsewhere there shall be flooding and earthquakes will alter the course of the rivers." I also saw great objects falling from the sky. "None shall escape the sword of the Lord." I cried out, "It's all bad news. Any good news?" The Lord replied, "Judgement Day has come. My love has been refused; My anger has come."

Then I saw the last angel fly over the Americas, from Canada to Argentina. In his hand he carried a bowl to pour out judgement on these countries. "No justice anymore, no holiness, idolatry, materialism, drunkenness, the killing of innocents before they are born, families broken, an adulterous generation. Sodom and Gomorrah is here. It is as in the days of Noah. False preachers, false prophets, an imitation of religion but no power. They have loved money and pleasure more than Me." As he poured from the bowl I saw floods all over North America, earthquakes, skyscrapers tumbling, millions dying. Much of North Brazil was covered with water, the Amazon turning into a great sea, forests and cities destroyed. "This will happen in a very short time," the angel said.

Then the five angels stood around the globe. Lifting up their hands and wings they cried, "All glory to the Lord of heaven and earth. Now the time has come to glorify His Son. The earth shall be destroyed; God will destroy the works of the devil forever. Now the new heaven and earth shall come. Be ready, for the day of the Lord has come. This is our message. You are the channel. God has chosen you to give this message to the nations."

Blow the trumpet in Zion; sound the alarm on my holy mountain! Let all the inhabitants of the land tremble, for the day of the Lord is coming, it is at hand.
